**SECOND
JOINT STATUS UPDATE**

COMES NOW Intervenor Emerald Springs Homeowners' Association and Intervenor Rohana, Inc. and Charles Dunn Capital, Inc., by and through their respective undersigned counsel, and hereby submit a Second Joint Status Update as follows:

Since the filing of the First Joint Status Update, further progress has been made towards the formation of the sewer district. The Petition and supporting documents have been drafted and the La Paz County Board of Supervisors expressed their support for the formation of the sewer district. Additionally, on November 13, 2013, attorney Wene met with the potential sewer district board members, discussed issues related to the formation of the sewer district, and each proposed board member signed the Petition. Arizona Revised Statutes, Title 48, Chapter 6 requires that certain information be included in the Petition such as descriptions, proof of land ownership, and verification of signatures. All such requirements have been met, however, upon review of the map, minor labeling errors were found and a request for corrections has been made. Upon receipt of the corrected map, the Petition will be submitted to the La Paz County Clerk for approval. It is estimated that the Petition will be submitted to the County Clerk in the next ten (10) business days.

1 The Intervenor respectfully request this matter be continued for an additional ninety
2 (90) days and that the Intervenor submit a third joint status update at that time.

3 RESPECTFULLY SUBMITTED this 2 day of December, 2013.
